TESTIMONIAL LETTER

We are very pleased with the excellent work produced by the team from **Firstcom Solutions Pte Ltd** and would like to thank the following:

- Ms Victoria Ang (Digital Branding Manager)
- Mr Jonathan Eng (Junior Digital Branding Consultant)
- Mr Andrew Hoon (Project Executive)
- Ms Michelle Lim (Project Management Consultant)
- Firstcom's designers and programmers

The team understands the digital marketing requirements of a local enterprise. They are prompt in providing technical advice and support when the project was executed. I highly recommend working with Firstcom Solutions for web development, design and hosting solutions.

Yours sincerely,

Julia Yu
