TESTIMONIAL LETTER

To whom it may concern,

We've had the pleasure of working with **Firstcom Solutions Pte Ltd** on our project with Ms. Peggy Koh and we are very happy with the final result

Although there were some hiccups such as staff replacement for our case but the company has never failed to get a substitute immediately to follow-up on our project closely.

Firstcom Solutions Pte Ltd is by far the best web developer we have worked with. They pay great attention to detail and also suggested a number of usability features that have greatly enhanced the site beyond what we ever expected.

We will definitely recommend **Firstcom Solutions** to our friends and contacts should they require web development services.

Best regards,

Jasmine Tan
