Dear Terence,

My experience working with Firstcom Solutions was a positive one. I was lucky to have you as my project coordinator. You did a great job in terms of designing, communicating and keeping the updates and stages in check. I am very pleased with the final results of Aveens' website.

I appreciate your excellent service and compliment you on your dedication. You are without doubt a credit to your team and Company. This is endorsed by Betty McConnell, my USA representative.

It has been a pleasure working with you.

Thank you & Best Regards.

Sincerely,

Irene Foo
