

Testimonial

3rd September 2015

To Whom it may concerned.

My experience working with Firstcom Solutions was a positive one. Terence has done a great job in terms of designing , communicating and keeping the updates and stages in check. I appreciate the service and would compliment Terence for his service for our company.

He is able to understand our requirements and convey the message to his design team. The result has been very satisfactory.

Thank you for making the experience a pleasant one.

Your Sincerely

Kevin Ong
