To whom it may concern,

Highly Recommended

It is my pleasure to recommend Amanda Ng who is the staff of Firstcom Solution Pte Ltd. Her performance has proven that she is a valuable addition to the company.

Amanda has shown positive side and attitude towards our project by taking time to listen to what we need. We like that she is very hands-on and has the right skills (Creative & Technical) to perform her role. She is professional, flexible and meticulous which I am sure every customer would appreciate and love to have.

We look forward to working with her again for future projects.

Yours faithfully
