TESTIMONIAL LETTER

To whom concerned,

We found Firstcom Solutions Pte Ltd a great company to work with. Amanda Ng has been working closely on our project and we have a great time liaising with her till completion of our website development.

She has an intuitive design sense and takes a holistic view on projects, as she considers the best ways and most suitable platforms to optimize your digital branding.

We can highly recommend Amanda Ng and we look forward to working with her again on many projects.

I would recommend Firstcom Solutions Pte Ltd to anyone and will be working with them again in future.

Yours truly,

Zen Ng
Sales Manager
