Dear Jason,

**RE: Testimonial**

It was indeed a pleasant experience to be able to work with your affable personality and more adequately, in your consistent and professional attitude.

Though there are challenges during the different stages in our encounter-from conceptualization, through to a complete development of our webpage design, you have managed to exhibit patience yet a truthful display of helpfulness.

We reckon that you can always perform well in any future endeavor!

Yours sincerely,

Steven Poh  
Manager
