TESTIMONIAL

On behalf of Ensure Pte Ltd, we would like to express our sincere experience when working with Mr. Chen WeiLi of FirstCom Solutions Pte Ltd.

He had done a wonderful job on our online insurance website development - "EQ MaidSure" as all our needs were very well understood by him. He did a great job in communicating and constantly keeping us apprised to ensure the launching off our company insurance website is on time.

On a positive note when I needed some adjustments on the final works, I had no problem to obtain them. He has proven as a responsible person and providing an exceptional service towards his work that allows him to develop a productive working relationship with us.

It has been a pleasure to work with WeiLi and we look forward for future collaboration of this nature.

Your sincerely,
