RE: TESTIMONIAL LETTER

To whom concerned,

We would like to firstly greatly appreciate **FIRSTCOM SOLUTIONS PTE LTD** for reaching out to us with the availability of this grant to inform us of this digitalization solution to our business. It was our first time developing an e-commerce platform for our business and we are glad to have hopped on the bandwagon to greater opportunities moving forward.

Yours Sincerely

Signature : 

Name : Kenneth Ng

Designation : Sales Manager

Company : Hai Seng Porcelain
