Dear Jim,

NATIONAL DAY PARADE 2020 – LETTER OF COMMENDATION

1. This year's NDP2020 website design and content generated for social media were well received by Singaporeans. The NDP2020 website and social media were essential platforms to communicate NDP-related information and content. This could not be made possible without the assistance that FirstCom Solutions had rendered to the NDP2020 Executive Committee (EXCO) and Public Engagement committee.

2. On behalf of the NDP2020 EXCO, I would like to extend our gratitude to you and your team for the support to enable us to actively engage Singaporeans leading up to 9 August. We appreciate the professionalism displayed by your dedicated staff for working around the clock to constantly meet our requests, and also going above and beyond to make it happen for the launch of NDP2020. Your staff can be proud to see their designs used widely across Singapore, with the iconic heartlands backdrop with fireworks, red lions, and many NDP highlights captured within your banner design. FirstCom Solutions Pte Ltd has been a valued partner with NDP for the fourth year counting, and we're looking forward to many more.

3. Once again, thank you for the amazing work. I wish you all the best in your continuous journey to push boundaries in bringing digital solutions for Singapore, and I hope this letter goes a little way to recognise you and your team's efforts.

4. Together, A Stronger Singapore!

Yours sincerely,
BG FREDERICK CHOO
