SUBJECT: TESTIMONIAL LETTER

To : FirstCom Solutions Management,

We wish to express our sincere thanks for assigning Jolene Aw as our digital marketing coordinator. Online marketing is very crucial for us when all our retail outlets are closed during the COVID period and is the only channel we can reach out to consumers.

Jolene has done her homework by checking our current website and social media platforms before proposing the different ways of engagement to reach out our end users and promote our brands.

She is very patient in listening to our needs and executing the tasks. We are thankful to be able to work with a highly efficient staff of yours. Keep up the good work, Jolene.

We will surely recommend your good services to our business associates.

Thank You.

Yours Sincerely,

Pearline Goh
