To Whom It May Concern:

Thank you Firstcom Solutions Pte Ltd for assisting us to go digital and to understand how we can better leverage on social media to gain brand awareness and improve our social media identity for SGWetmarket.com.sg

We had the privilege of working with Jolene Aw who is helping us with our account for social media campaigns. Jolene has been very professional in handling our account for digital marketing activities and has been answering our questions promptly.

Once again we are thankful for the assistance being rendered to our company during this period.

Yours truly,

Daniel Tan
