Working with FirstCom Solutions has had a few hiccups along the way however I am thankful for Ms Aderlene Foo and her support in ironing out these details so that our solution is delivered to us promptly and in a timely manner.

Going online is important to us and this solution has benefitted us greatly. There is no merchant fee on this solution which is very good. The project executives have also assisted me with going digital with what we need. This solution has also helped my brand to gain more exposure online which allows me to reach out to a different audience group.

FirstCom Solutions has professionally assisted us in this process and we look forward to possible collaborations in the future. Thank you.
